

PacketLib - Bug #756

ProcessorLib

03/12/2013 09:55 AM - Vito Conforti

Status:	Rejected	Start date:	03/12/2013
Priority:	Normal	Due date:	03/19/2013
Assignee:	Andrea Bulgarelli	% Done:	0%
Category:		Estimated time:	0.00 hour
Target version:			
Description			
It must be update all class involved in the ProcesorLib. Some classes are ambiguos if used with other classes which have the same names so it is crucial use the namespace or use the explicit name of class inside each class of the ProcessorLib.
